

2022-23 Transitional Kindergarten Program

Thank you for your interest in the Wesleyan Transitional Kindergarten program; the Honeybees. We are excited that you are considering Wesleyan for your child. The class consists of 14-16 children and two teachers and offers a rich Pre-K/Kindergarten curriculum. This small class offers children an ideal learning environment where the curriculum is differentiated and individualized for each child. The learning environment supports all areas of a child's development (academic, cognitive, social & emotional, fine & gross motor) and fosters a spirit of community and cooperation by allowing children the opportunity to work in groups/teams and socially construct knowledge.

Class times and Schedule: Class will be held Monday-Friday from 9:00 am to 12:15 pm. Our school year begins the Tuesday after Labor Day, and ends the third week in May. We follow many of the Boise School District school closure days. Length of time is subject to change for the 2022-23 school term.

Enrollment: The Transitional Kindergarten program is a unique program taught by a certified Elementary teacher and an assistant teacher. The class is designed to meet the needs of children who are chronologically old enough to attend Kindergarten (5 on or before September 1st), and to give children a specialized Pre K/Kindergarten environment that enhances their development and learning. Children currently enrolled in the Wesleyan Preschool Program have preference for available spaces, followed by current members of FUMC, then children enrolled in the Kids Are Special People program, followed by outside applicants. Applicants will be placed on a wait list according to both gender and the date the application is received in our office. We make every effort to balance the number of boys and girls in the class. Children who meet the Boise School District age criteria, 5 by September 1st, will be given preference for entrance into the program. Children who do not meet the September 1st criteria, but will be 5 by November 1, 2022 will be considered on an individual basis based on space availability and readiness.

Tuition and Deposit: Tuition for the **2022-23** school year is \$5670.00 annually, (\$630/month). Upon acceptance into the Transitional Kindergarten program a non-refundable deposit consisting of the first month's installment (\$630.00) and a non-refundable registration fee (\$100.00) will be due in order to secure your child's space.

Application: To apply for our Pre-Kindergarten class, please fill out the application form and submit it to our office. Applications will be accepted beginning October 1, 2021. Notification of acceptance will be emailed beginning the week of January 10, 2022 with registration and deposits due two weeks later.
